Per Oregon Revised Statute (ORS390.235 and 358.905-961) an Oregon Archaeological Permit is needed to excavate or collect from an archaeological site on non-federal public or private lands. A permit is also needed to probe for an archaeological site on non-federal public lands.

## **Oregon Parks and Recreation : Archaeological ...**

Illicit antiquities, archaeological objects that have been illegally excavated or exported from their country of origin for monetary gain. Most countries place sovereign claims on their archaeological heritage. In countries with strong patrimony laws, it is illegal for an unauthorized individual to excavate or own antiquities (which are in effect taken into state ownership); in those with less stringent legislation, it is legal to own antiquities but not to export them.
