Classification And Regression Trees Mwwest

The decision tree has

Get Free Classification And Regression Trees

two main categories
classification tree and
regression tree. These
two terms at a time
called as CART. This
term was first coined in
1984 by Leo Breiman,
Jerome Friedman,
Richard Olshen and
Charles Stone.

Classification. When
the response is
categorical in nature,
the decision tree
performs classification.

Decision tree for
