Essential Anatomy Dissector : John T. Hansen : 9780781732833

Description : Since 1940, when Dr. J.C. Boileau Grant created the first lab manual based on Grant's method of dissection, Grant's Dissector has clearly established its authority and preeminence as the "gold standard" of gross anatomy dissection manuals. In the last edition, the material was streamlined to focus on more accurate, specific and clear steps, based on market conditions and feedback.
