**Executive Presence** is somewhat of an art and science leadership skill. Don't let its complexity stand in your way. Understanding the three definitions (the corporate, psychologist's, and actor's views) combining them with the strategies above can help you gain self-awareness and pick and choose the approach that makes the most sense to your personal style.

## **Executive Presence: The Art of Commanding Respect Like a ...**

Executive presence is about connecting to an audience, building credibility and inspiring action. It doesn't have to be in the form of a presentation or a speech; it can be in the way you conduct a conversation in the hallway, in the way you handle a phone call, or in your day-to-day interactions with your peers and your reports.
