If you stop and listen and feel your inner-self, you will become aware of the truths that lay within you. Take the time to think on it, feel it, meditate or journal your thoughts and feelings. You may not even have to do this because you are already aware of your truth. Define your truth and roll with it.

Step Into Your Truth With These 4 Simple Steps | HuffPost Life
Spend less time focusing on what you could have by fully chenshing what you currently have in the present, which leads to my first step of "Living your truth". 1. Accept who you are currently. A HUGE part in accepting your truth is embracing the life you are currently living.

What It Means To "Live Your Truth"
Living in your truth means your relationships with others are about respect. They bring out the light and love within. It means you aren't dependent on those relationships to feel good about yourself. 5. You don't feel guilty speaking your truth. The reality is that you're not going to appease everyone. It's an illusion to think you are.

7 Signs You're Living Your Truth - mindbodygreen
Living your truth means your relationships can be based on mutual respect rather than the disempowering need for external validation. Support is always a good thing, but when you have the confidence to accept what's right for you, it releases from the need for approval from others.
