All around you there are people from different cultures and having a relationship with others from different cultures depends on your communication skills.

Chapter 1 - Intercultural Competence

Research shows that intercultural competence cannot be acquired in a short space of time or in one module. It is not a naturally occurring phenomenon but a lifelong process which needs to be addressed explicitly in learning and teaching and staff development. Critical reflection becomes a "powerful tool" on the journey towards achieving it.

What is intercultural competence

Intercultural communication competence (ICC) is the ability to communicate effectively and appropriately in various cultural contexts. There are numerous components of ICC. Some key components include motivation, self- and other knowledge, and tolerance for uncertainty.
