AT&T Internet Self-Installation Guides
The Whole Internet User's Guide and Catalog, by Ed Krol, was published in September 1992 by O'Reilly. The Los Angeles Times notes that the Whole Internet User's Guide and Catalog was the "first popular book about the medium" and "was later selected by the New York Public Library as one of the most significant books of the 20th century."

Whole Internet User's Guide and Catalog - Wikipedia
Primarily aimed at engineers and technicians, not end users - offers a range of component datasheets, IC diagrams, service guides and schematics for a range of electronic equipment. Far more specialized than the other sites so not as comprehensive. Active user forums can be helpful for troubleshooting and repairs.
