It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

Magic Dante was a delight to have at our Purim School Carnival. I have been to many magic shows, and I must say Dante was by far the best I have ever seen. He had us all absolutely riveted by his many illusions, and he has perfected them all. Even us grown ups were completely taken by surprise. He is smooth, witty, and completely hilarious.
