My Busy Body Nov 12, 2017 by Shreya Sharma in Age 4-6. This is one of the good short bedtime stories for kids. It was the middle of the night, Kyra was sleeping in her bed when she heard a funny noise. It sounded like someone was talking. She got out of her bed and turned on the light but no one was there. Confused, she turned off the light and ...

"My Amazing Body" with Coach Jen

This is my body story. It took me a long time to get where I am today. In fact, I often wonder if my chubby, low self esteem middle school self would ever believe I'd be in this place... Working as a registered dietitian, studying to become a yoga teacher, and writing a blog post about finally loving my body.

My Body Story - Claire Siegel

The narrator is a worrisome boy who thinks his body is falling apart when he finds bely button lint, something falls out of his nose, and his tooth is loose. At the end of the book his parents explain that all these things are normal. My kids think it's hilarious, but you might think twice before reading to a child prone to anxiety.
