Structural Pest Control Board

The Certification & Testing unit administers exams for persons wishing to be licensed in plant-setting, landscape design, and/or tree surgery, as well as those seeking to become certified as a commercial pest control applicator. Once the appropriate exams have been passed, one must apply for certification through this office.

Certification and Testing

Study guides are not specific to the level of licensure. There is one general study guide and one study guide for each pest management category. Study guides are available from CDA's partner the CSU Colorado Pesticide Education Program (CEPEP). Additional study materials are
