OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site.

This Easy Media Creator 10 is the worst software that I have ever bought with the name Roxio on it. It is a bundle of about 8-10 different applications. Most of the applications don't have enough programming power to perform the action required for that application. It is almost like having a built in VIRUS in each application.

## **Amazon.com: Customer reviews: Roxio Easy Media Creator ...**

Roxio Easy Media Creator 10 Suite is a program by the software company Roxio. Some users choose to uninstall this application. This can be difficult because deleting this manually requires some knowledge related to Windows internal functioning. The best QUICK way to uninstall Roxio Easy Media Creator 10 Suite is to use Advanced Uninstaller PRO.
