...

The rational optimist takes a very calculated look at life and makes all worry come to reasonable light. The future and life are much better than the media makes it seem. I would recommend this for both optimists and pesimists alike, the arguements are well formed and difficult to deny.

### **The Rational Optimist: How Prosperity Evolves: Ridley ...**

Prosperity comes from everybody working for everybody else. The habit of exchange and specialization—which started more than 100,000 years ago—has created a collective brain that sets human living standards on a rising trend. The mutual dependence, trust, and sharing that result are causes for hope, not despair.
