Excerpts From The Runner's World Cookbook | Runner's World

Based on the popular column in Runner's World magazine, this cookbook highlights more than 60 delicious recipes from chef-athletes. From a culinary/food blogger standpoint, I liked that this book included the bios and a little info about each chef - that's fun for me to read (though I get not everyone's cup of tea).

5 Best Cookbooks for Runners - Snacking in Sneakers

The book details what Bill Pierce and Scott Murr call the 7-hour-workout week, where runners still run just three days a week, but they also do three days of cross-training and incorporate regular ...

The Runner's Cookbook: More than 100 delicious recipes to ...

As expected, Runner's World understands running. What I love about this cookbook is that it has a lot of recipes in it. 150 to be exact. And, all of these 150 recipes can be made in less than 30 minutes. This cookbook is a great choice if you're a runner that wants to get your fueling right, but doesn't want to spend a lot of time doing it.

If you're you're looking for a cookbook focused on healthy cooking, consider picking up a copy of "The Runner's World Vegetarian Cookbook" by Heather Mayer Irvine (Rodale Books, \$26.99).

New 'Runner's World' cookbook puts focus on plants ...

The Runner was a bit slower for me although once I got into the main characters I was hooked as usual. Set in the years immediately following WWII, Reich describes a different perspective than I have experienced as he details the destruction in and around Germany.

The Runner by Christopher Reich - Goodreads

This book excels at making the mundane details of running (and life) seem compelling. A highly introspective and relatable book for any runner. Read more. Style. This book is written by an author who is well known for his fiction work who just so happens to also have a writing obsession.
